4. Use Cases

- Payments at partner stores (restaurants, electronics, etc.)
- Integration with TELUCO character NFTs
- Voting, airdrops, lotteries
- Purchase of merchandise and real/digital event access
- Utility in Web3 games (in development)

5. Ecosystem & NFT

- NFT sales (Initial character: TELUCO)
- Exclusive perks and event access for holders
- Discounted services at partner shops
- Community-driven governance and proposals

6. Token Allocation

Allocation	Amount (TELU)	Percentage	
-----	-----	-----	
Team	5,250,000	25%	
Investors	5,250,000	25%	

Ecosystem/Dev	3,150,000	15%	
Reserve	3,150,000	15%	
Public Sale	4,200,000	20%	
Total	21,000,000	100%	

## 7. Sale & Claim Method

Start Date: July 1, 2025

Accepted Currencies: ETH, USDT

Sale Method: Initially manual (via Google Forms), with a plan to shift to smart contract-based sales.

Claim System: Buyers must claim tokens themselves via the official claim page using their wallet.

Gas fees in ETH are required at the time of claim.

Claim Page: <https://teluru.world/>
